 **Hochbrückenstrasse 10**

**Marienplatz 15 @ the entrance of the Toy Museum /
Spielzeugmuseum
Munich, Bavaria 80331**

Meeting Point Summary: Munich Bike Tour

The meeting instructions are very specific to ensure you don't end up at the wrong building. Here is the breakdown:

Primary Location

Where: Under the Tower of the Old Town Hall (Altes Rathaus).

Exact Spot: At the entrance to the Toy Museum.

Key Landmark: This is at the eastern end of Marienplatz.

The "I'm Lost" Test: You should be able to see a McDonald's nearby. If you can't, you're in the wrong spot.

If You Are Running Late

0–10 Minutes Late: Look for the group 10 meters away from the tower, standing by the Statue of Juliet (walking toward the McDonald's).

15+ Minutes Late: Go directly to the Mike's Bike Tours shop to catch up with the group.

Important Distinction

Do not go to the New Town Hall (the massive building with the Glockenspiel that dominates the square). You are looking for the smaller, older tower at the very end of the plaza.

✦ Health & Safety

Classic Bike Tour daily @ 11.30am (English spoken tour only)

Safe Routes: We prioritize official bike paths and low-traffic streets to ensure a safe, stress-free ride through Munich.

Quality Gear: Our fleet is professionally maintained, and high-visibility helmets are provided free of charge (not mandatory for under 18s).

Stay Hydrated: We recommend bringing a bottle of water; there are also opportunities to refill or purchase drinks during our breaks.

Expert Guidance: Our guides are trained in group management and provide clear safety briefings before we set off.

Emergency Protocol: In the rare event of an issue, our team is equipped to handle basic bike repairs and has direct contact with our central shop for support.

Health & Safety Policy

Seat Belts (Mandatory): In both Germany and Austria, seat belts are required for all passengers at all times. Our vehicles are equipped with modern safety systems that rely on you being buckled in.

Child Safety: We provide age-appropriate child seats and boosters. Please ensure children remain properly secured in their designated seats for the duration of the drive.

Safe Boarding & Alighting: Always wait for the vehicle to come to a complete stop before unbuckling. Your guide will assist with the doors and ensure you exit onto the sidewalk (kerbside) away from passing traffic.

Secure Storage: Please leave large bags and strollers in the trunk. Keeping the passenger cabin clear of loose items ensures a safer ride and prevents tripping during entry and exit.

Professional Standards: All our private tour vehicles are fully insured, licensed for commercial passenger transport, and undergo rigorous regular safety inspections.

Driver Focus: To ensure maximum safety on the Autobahn, we ask that you avoid distracting the driver during high-speed stretches. Your guide is there to chat, but the road is their first priority!

Credit card charges: Charges will appear on your statement as "FH* Mikes Bike Tours". If you've been refunded, it may take up to 30 days for your card issuer or bank to return your funds.
